

The area's '**District of Choice**' with an increasing percentage, now over 20%, of open enrollment students.

Responsible for and can be proud of our district's improved ACT composite scores, which at 23.7 for the Class of 2011, is the highest among area public schools.

Partners with involved parents who, through parent organizations and booster clubs, give back over \$100,000/year to our students' programs.

Cooperative with the Village of Ashwaubenon through shared service agreements and the use of our facilities, thus eliminating duplication of services and saving tax-payer dollars.

Fortunate to have the newly established Ashwaubenon Education Foundation providing grants for innovative educational programs and ideas.

Environmentally-friendly because of our efforts which made all of our buildings Energy-Star rated.

Child-centered, as our logo depicts, providing a safe shelter for children in our schools and programs.
