New Resource Fair Opportunity!

Looking for a unique opportunity to showcase your services or products to decision makers, build relationships, and show your support for WSPRA? Take advantage of the resource fair, which will run parallel with the WSPRA and WCEA conferences. Blocks of time throughout the day are dedicated solely for attendees to visit your booth, giving you valuable exposure. The resource fair is included with each sponsorship opportunity, but space is limited, so reserve your spot today.

If interested in contributing to the WSPRA conference as a sponsor, please contact WSPRA President Kit Dailey at kitd@eua.com or 414-232-0246. Sponsorship deadline is October 18, 2013.
